The coffee that *Inspires Change*

Time To Change (West Cumbria) Project is a small not-for-profit organisation and **our aim is to end homelessness and poverty.**

Our new **community centre**, offering advice and support services, is located at: Unit B4 Haig Enterprise Park. Everyone is welcome!

By purchasing our **exclusive and delicious** coffee, tasted and chosen by us, you are supporting our **Calderwood House Hostel** in Egremont, a place that **provides a safe haven for vulnerable people**, while also contributing to **disadvantaged farming communities worldwide.**

Our coffee is also roasted locally in Whitehaven, West Cumbria by Shiloh Coffee Roasters Ltd
